I just sent a response. No, just re-send your previous email with the language to Erica, Lars, Karen and Joe (ccing me) and asking for any edits.

It was MS (Mississippi) in Region 4 where we dealt with the same issue.

Thanks Mario. If you'd prefer to see the whole letter, please let me know.

Did you say in addition to MS that MO is dealing with the same issue?

I really appreciate your help. I have to call Pete now.

Oh, then just send me the file and I'll put it up on SharePoint for everyone.

Of course I will set up the meeting.

I'll send you the text language via email first because I rarely use sharepoint and it may take a while to figure it out.

It's up to you how you want to schedule the meeting. Either you or I can set it up or ND can. Happy to go with any option. In my experience, when a state is involved, the Region takes the lead in sending the invitation.

Mario, can I send you the draft language re selenium in ND's letter for your review? It's basically what you sent me from the R4 correspondence.

Thanks.

No, I can check people's calendar from here and give you the dates that work for us and ND.

**Subject:** ND DEQ would like to have a call re: selenium

Hi Mario, I just received an email from Pete Wax, WQS Coordinator with North Dakota DEQ, who said based on internal discussions at DEQ, he and Karl Rockeman, WQ Division Director, would like to have a call with headquarters personnel to discuss the selenium issue.

Andrew Todd will also be on the call. Free times for ND DEQ are (central time): Monday after 3:00, Tuesday 8:30-9:30 and 11:30-5:00, Wednesday (all day), Thursday 1:00-5:00, Friday (all day).

Shall I get in touch with Lars et al, or do you have time to coordinate a call? I'll set it up once I know everyone's availability.

Thanks,  
Holly
